**"Corn Salad"**

Select two dozen ears sweet corn, two heads cabbage chopped fine, eight onions, four green peppers, one cup sugar, one-half cup salt, vinegar to taste, one teaspoon mustard, one teaspoon tannic powder. Dissolve two tablespoons cornstarch or flour in vinegar; mix all together. Boil hard for ten minutes.

This makes eight quarts fine salad, which could be sealed and kept for winter use.

Cut the pepper in halves, remove seeds and divide into small pieces. Cook with the onion and butter for five minutes stirring constantly. Add the flour, salt, paprika and pepper; stir until well blended, and pour the milk in gradually. Let boil and add the corn, egg yolk, and the dried bread which has been well browned in butter. Turn into a buttered baking dish and cover with the cracker-crumbs. To prepare these crumbs allow one fourth cup of melted butter to three fourths cup of the crumbs. Mix with a fork.

**How to Rid the Skin of Objectionable Hairs**

(Adds to Beauty)  
A simplified method is here given for the quick removal of hairs of the face, groins and rarely is more than one treatment required. Mix a stiff paste with some powdered talcum and water, apply to hairy surface and after 2 or 3 minutes rub off, wash the skin and every hair has vanished. This simple treatment cannot cause injury, but care should be exercised to get real talcum.

**Surprisingly Good Cough Syrup Made at Home**

Costs Very Little and Easily Made,  
but is Remarkably Effective.

You'll never really know what a fine  
cough syrup you can make until you  
prepare this famous home-made remedy.  
You not only save \$2 as compared with  
the ready-made kind, but you will also  
have a more effective and dependable  
remedy in every way. It overcomes the  
usual coughs, throat or chest colds in  
24 hours—relieves even whooping cough  
quickly.

Get 2 1/2 ounces of Pinex (50 cents  
worth) from any good drug store, pour  
it into a pint bottle and fill the bottle  
with plain granulated sugar syrup.  
Here you have a full pint—a family  
supply—of the most effective cough  
syrup that money can buy—at a cost of  
only 54 cents or less. It never spoils.

The prompt and positive results given  
by this pleasant tasting cough syrup  
have caused it to be used in more homes  
than any other remedy. It quickly  
breaks a dry, hoarse or tight cough,  
heals the inflamed membranes that line  
the throat and bronchial tubes, and re-  
lieves coughs almost immediately. Splen-  
did for throat tickle, hoarseness, bron-  
chitis, croup and bronchial asthma.

Pinex is a highly concentrated com-  
pound of genuine Norway pine extract,  
combined with glycerol and has been  
used for generations for throat and  
chest ailments.

Avoid disappointment by asking four  
druggists for "2 1/2 ounces of Pinex" with  
full directions, and don't accept any-  
thing else. A guarantee of absolute sat-  
isfaction or money promptly refunded  
goes with this preparation. The Pinex
